HOW DOES THIS PLAN WORK?

It is important to understand the features of any investment product before you decide whether to invest in it. The information set out below is to help you decide whether this Plan meets your investment needs.

Any subscription will be invested in Securities issued by the Counterparty, which are designed to have the characteristics required to achieve the investment objectives of the Plan. The Potential Return and return of any capital from the Plan are linked to the performance of the Underlying Asset.

The Plan has a feature which means that it can Kick-Out/mature early. This will occur if the respective Closing Level of the Underlying Asset, on an annual Observation Date from Year 2, is equal to or above its respective Kick-Out Level. In this event an investor will receive their Initial Capital back, plus a Potential Investment Return of 8.75% for each year that the Plan has been in existence. This is explained on page 7 'Potential Investment Return explained'.

The return of any subscription at the Final Observation Date is based on the performance of the Underlying Asset: at or above 85% of the respective Opening Level of the Underlying Asset, the investor receives 100% plus a Potential Investment Return; at or above 65%, but less than 85%, of the respective Opening Level of the Underlying Asset, the investor receives 100% of the Initial Capital but no Potential Investment Return. Otherwise, capital is at risk at maturity if the Underlying Asset closes below the Capital Protection Barrier of 65% of its Opening Level in which case investors will receive the Initial Capital decreased by the performance of the Underlying Asset, thus resulting in a partial or total loss of their Initial Capital.

In addition, an investor should also understand that they will not be entitled to receive the dividends that could normally be available if they had invested directly in the shares of the companies constituting the Underlying Asset.

POTENTIAL INVESTMENT RETURN EXPLAINED

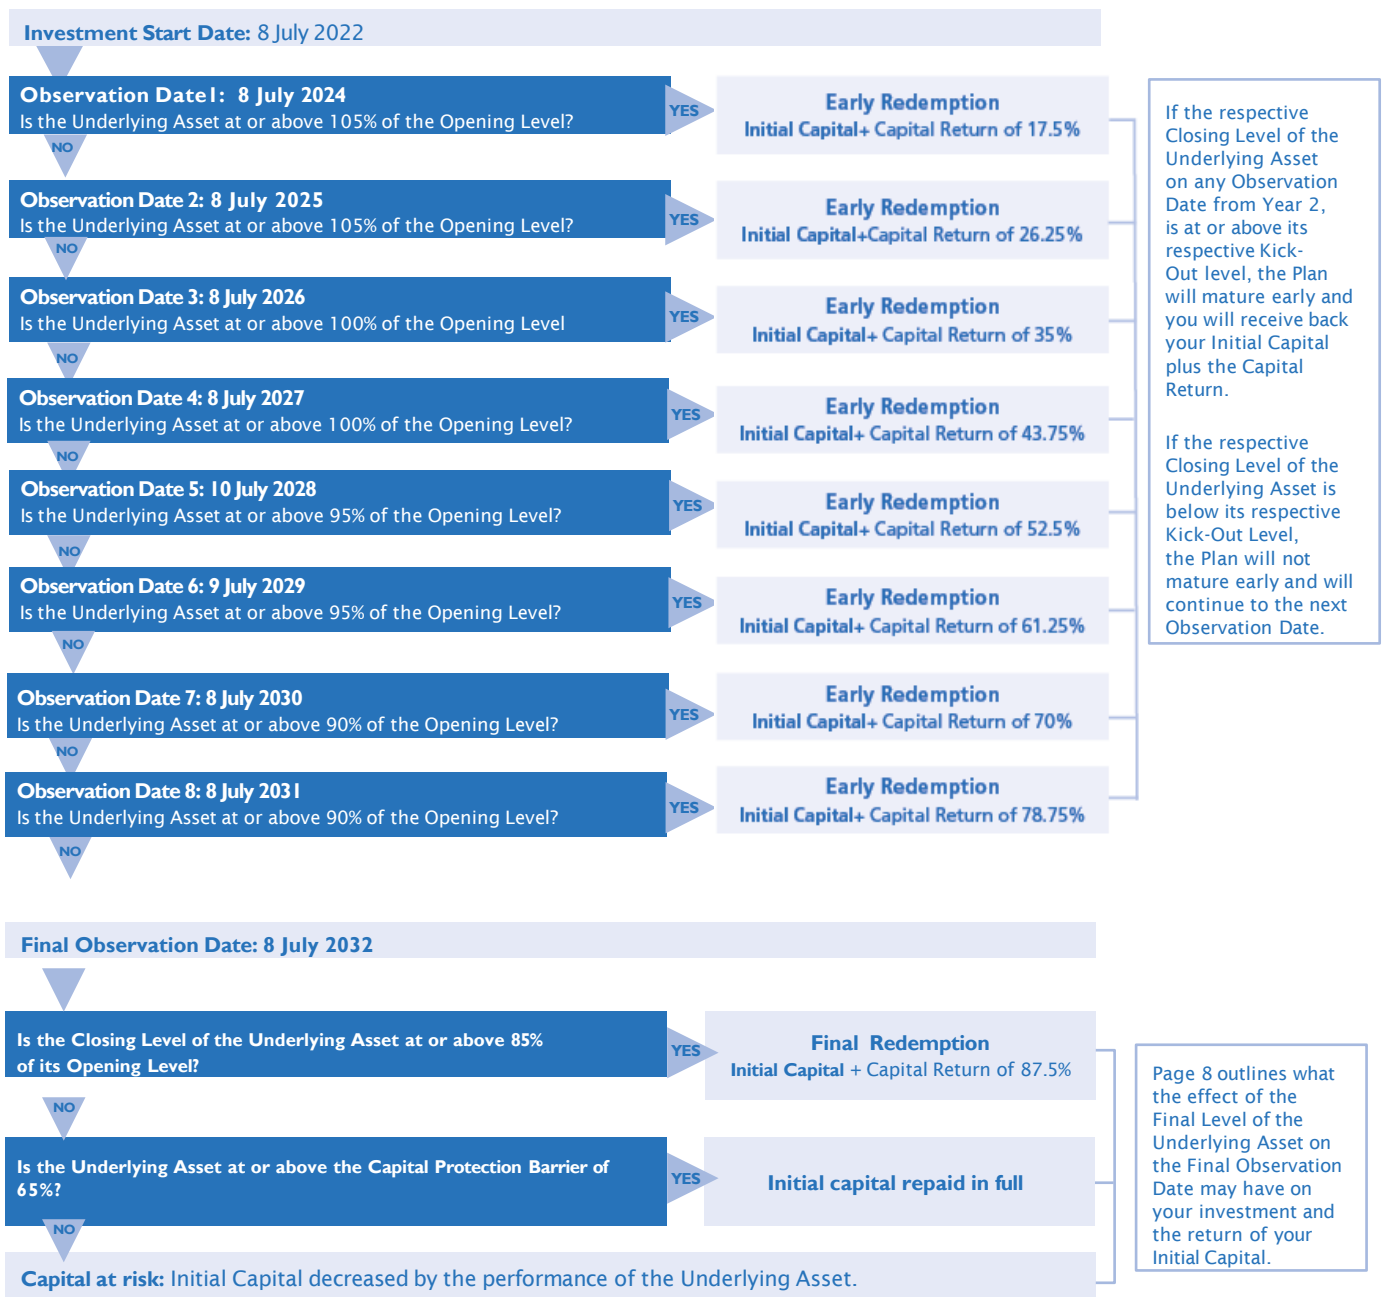

Any Potential Investment Return is dependent on the performance of the Underlying Asset. The respective Opening Level of the Underlying Asset will be its Closing Level on 8th July 2022.

If on an Observation Date from Year 2, the respective Closing Level of the Underlying Asset is **at or above its respective Kick-Out Level**, your investment will mature early and you will receive a defined return of 8.75% for each year that has elapsed since the Investment Start Date.

If, however, the Closing Level of the Underlying Asset is **below the required Kick-Out level** on an Observation Date, the Plan will continue to the next Observation Date.

Where the Plan has not matured early and runs for the full 10 year term, there will be a capital loss if the Final Level of the Underlying Asset is below 65% of its Opening Level on the Final Observation Date.

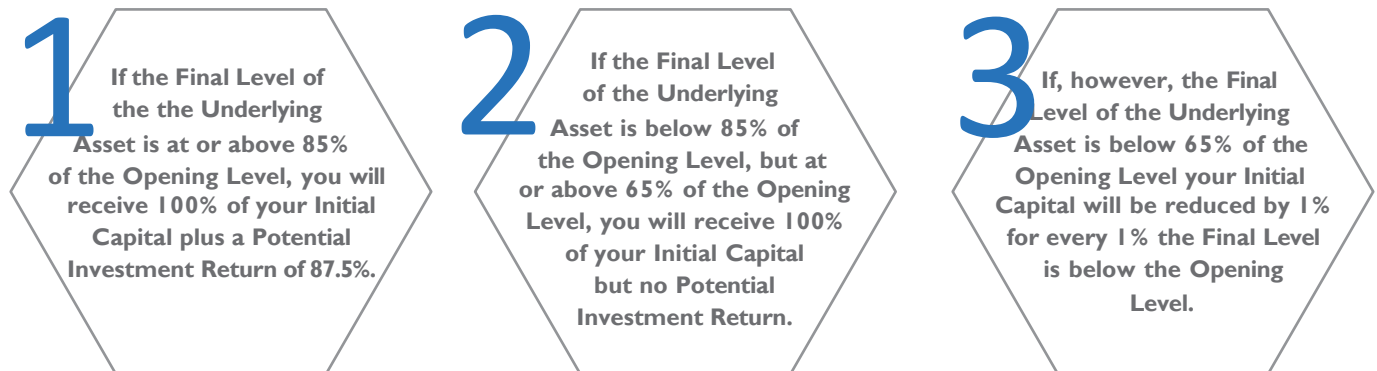

Below is a payoff diagram demonstrating how this Plan works:

THE RISK TO YOUR CAPITAL

Where the Plan has not Kicked-Out at any of the Observation Dates, and so runs to its Final Observation Date, the return of your Initial Capital and qualification for any Potential Investment Return, will depend on the Final Level of the Underlying Asset on 8 July 2032.

There are three possible scenarios on the Maturity Date:

The table below shows some examples of repayment of your Initial Capital in a range of scenarios for the Plan. Examples are based on an Initial Capital Investment of £10,000.

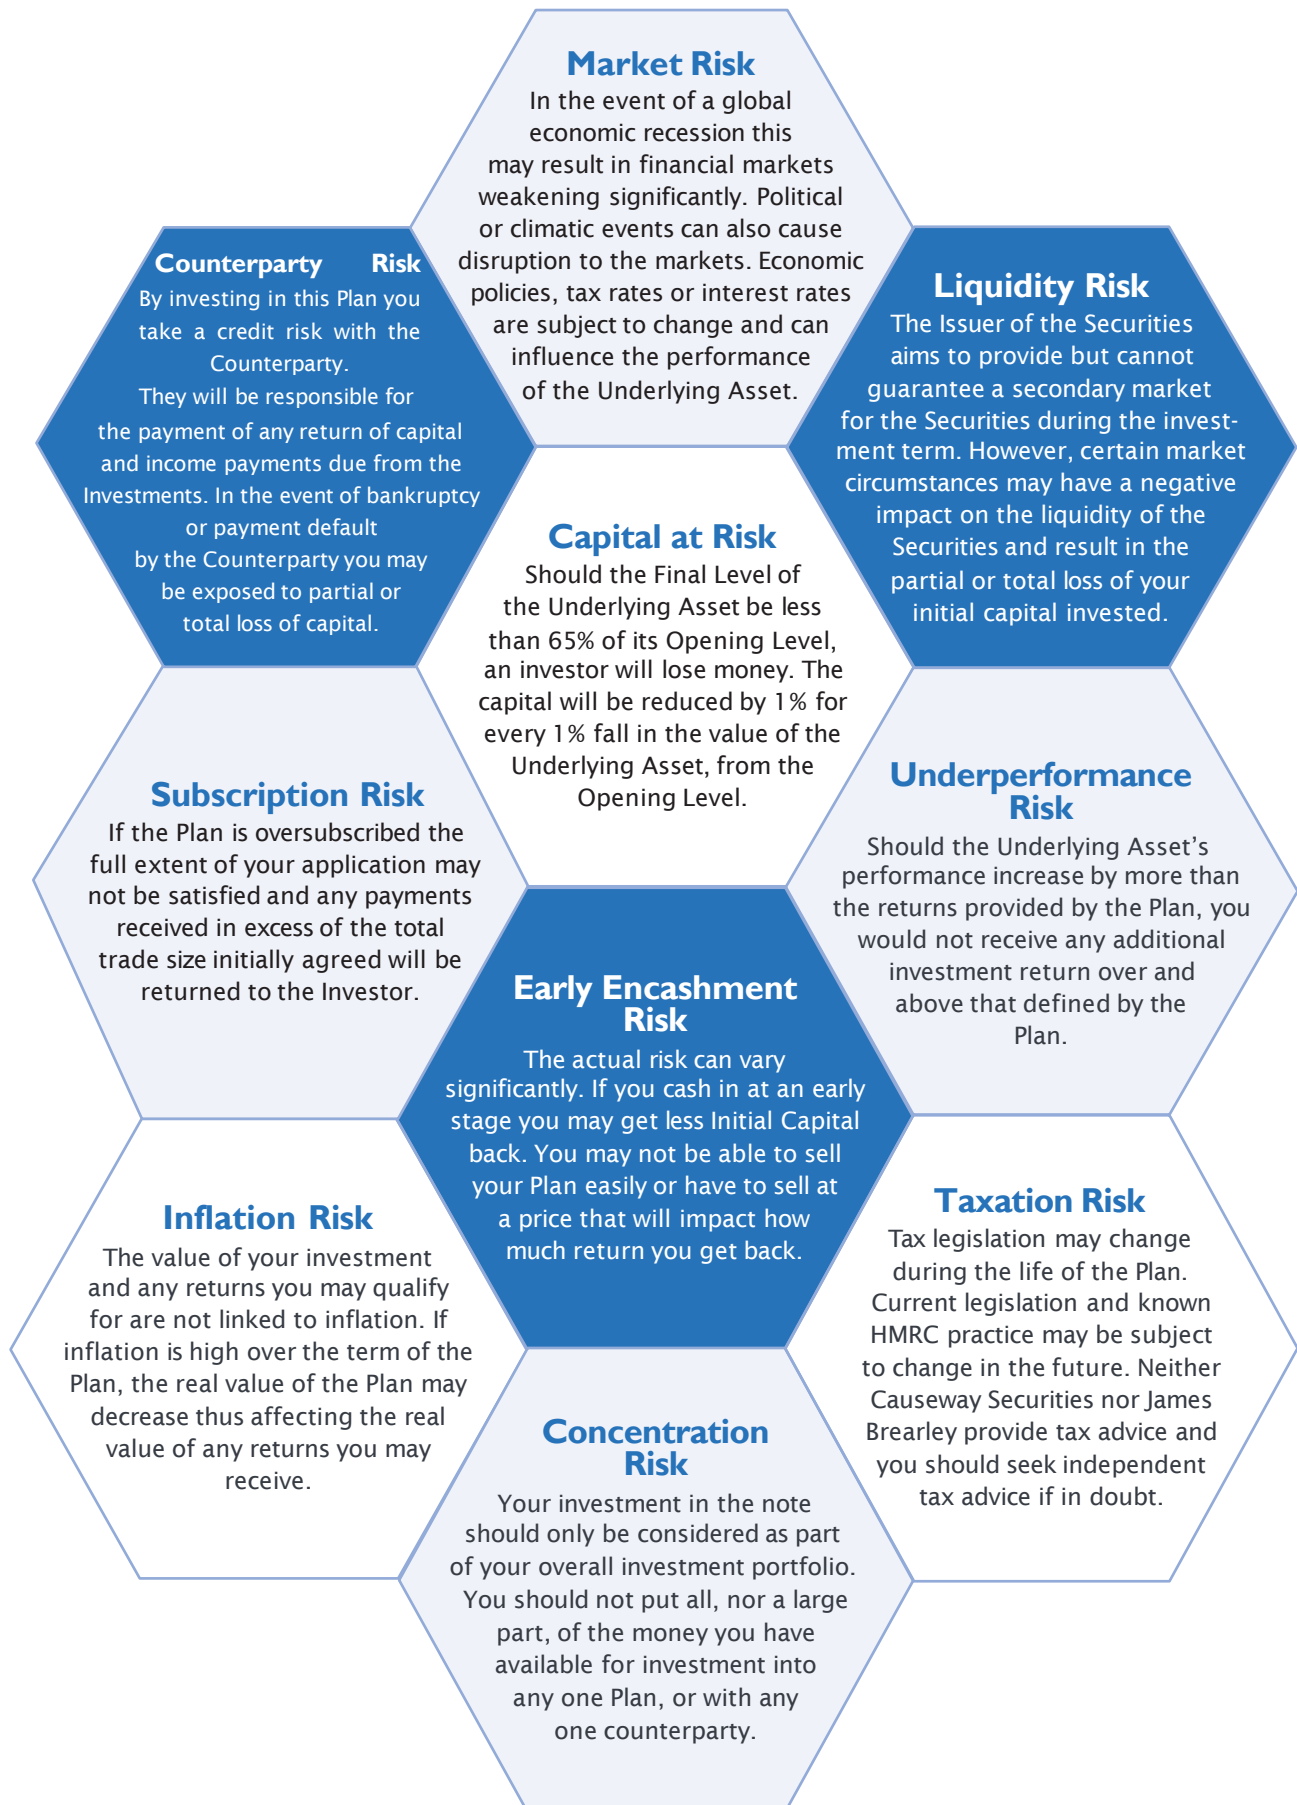

Final Level of the Underlying Asset	Amount of your Initial Capital repaid to you	Explanation
-20% below Opening Level	£10,000	Initial Capital Returned only
-35% below Opening Level	£10,000	Initial Capital Returned only
-36% below Opening Level	£6,400	£10,000 x 64%
-75% below Opening Level	£2,500	£10,000 x 25%

IMPORTANT:

The table does not give predictions of what we believe an investor might receive. It is designed to illustrate how the return of the money invested in the Plan is calculated. You should be aware that you could lose all of your money.

RISKS INVOLVED IN THE PLAN

The diagram below shows various factors which can influence the performance of the Underlying Asset

FTSE CSDI - THE UNDERLYING ASSET

Background

The majority of structured products designed for UK retail investors use the FTSE 100 as the underlying asset. The FTSE 100 is a well known benchmark for the UK equity market and tracks the performance of the shares of the 100 largest companies listed on the London Stock Exchange. It is a 'price return' index, meaning that its level depends on changes in the share prices only, without dividends being reinvested.

While historically this has served structured product investors well, there is one issue with using the FTSE 100 as an underlying. Because the index does not include dividend income, there are additional costs involved in the way a structured product issuer (i.e. counterparty bank) manages their risks (i.e. 'hedges' their exposure).

FTSE Russell, who also calculate and publish the FTSE 100, has therefore developed an alternative index that is designed specifically as an underlying for structured products - one which reduces the cost and uncertainty of hedging future dividends by instead fixing the dividend, leading to products with improved terms for investors as a result.

Is there a different underlying that better matches the issuer's hedging process?

The FTSE CSDI is designed to allow the issuer to manage their risk in a more efficient way. There is no need for the issuer to manage the variable dividend yield of the FTSE 100, as dividend income is included in the FTSE CSDI level. Instead, the index deducts a fixed annual dividend. This means that costs and risks are reduced for the issuer as the annual dividend yield is known - the result being improved product terms.

By creating a more efficient, lower cost and lower risk hedging process, structured products linked to the FTSE CSDI can potentially offer improved terms in comparison with similar products linked to the FTSE 100 Index. But it also means the performance of the FTSE CSDI will differ to the performance of the FTSE 100 - and potentially be lower.

Introducing the FTSE CSDI

The FTSE CSDI measures the performance of the same 100 shares that are included in the FTSE 100. It is also calculated and published by the same calculation agent - FTSE Russell. However, it differs in its construction. The FTSE CSDI is calculated using a simple process:

- 1) It takes the level of the FTSE 100 Synthetic Index, another FTSE Russell index which has returns similar to those of the FTSE 100 Total Return index (the index uses FTSE 100 futures to reflect both the performance in share prices and any dividend income).
- 2) It deducts a fixed dividend of 3.5% p.a., which is similar to the long-term dividend yield of the FTSE 100 . This makes the historical performance similar to that of the FTSE 100 price return index. NB - The 3.5% p.a. fixed dividend is not removed in one instalment; a small amount is removed daily, which totals 3.5% per annum.

What is a future? FTSE 100 future contracts are commonly used by banks and other institutional investors to manage risks for the UK equity market. They are highly liquid instruments traded on the Intercontinental Exchange ('ICE') with set maturity dates, and their value changes to reflect the total return performance of the FTSE 100.

What is the difference between price return and total return?

Financial instruments like company shares can generate returns in a number of ways. Any change in the price of shares is called the price return, and it is these rises and falls in share prices that are measured by indices like the FTSE 100. However shares can also generate return through cash pay outs to investors, called dividends. This dividend income is included in a total return index, but not in a price return index.

FTSE™ Custom 100 Synthetic 3.5% Dividend Index ('FTSE CSDI') (Bloomberg Ticker: SUKX35FD) : Historical performance vs FTSE 100 Price Return index (10 years)

The FTSE CSDI is not the same as the FTSE 100. While its performance is expected to be similar, it will not be identical. It is possible that the FTSE 100 could rise while the FTSE CSDI falls. The FTSE CSDI includes dividend income but removes a fixed dividend of 3.5% a year. If actual dividends paid on the shares in the FTSE 100 are less than 3.5% a year for a given period, the performance of the FTSE CSDI will be worse than the FTSE 100 over that period. At the time of writing (29 March 2022), the implied dividend yield of the FTSE 100 for 2022 is 3.23%; slightly below the 3.5% fixed dividend of CSDI. If this remains the case, all else being equal, the CSDI will underperform the FTSE 100 by a similar differential amount over the short term. The FTSE CSDI is linked to the FTSE 100 Synthetic index which is based on FTSE 100 futures, not the FTSE 100 itself. FTSE 100 futures generally perform in a similar way to the FTSE 100, but there is a possibility that they may behave differently. Source: Bloomberg, 29 March 2022.

Historical performance vs FTSE 100 Price Return index (10 years)

Source: Bloomberg, 29 March 2022. The FTSE CSDI was launched on 01 September 2020 and the above chart therefore shows a simulation of how it would have performed compared to the FTSE 100 Index. Past performance (actual or simulated) is no indication of future performance and should not be relied upon for investment decisions.

The FTSE CSDI is not seeking to replicate the FTSE 100 index. Instead, it's an alternative that is expected to perform in a similar way, but which is appropriately designed as an underlying for structured products. You can find out more about the FTSE CSDI, including performance factsheets and daily index levels, at www.ftserussell.com/index.

Important:

This fixed dividend may be bigger or smaller than the actual dividend income that is paid by the companies that make up the FTSE 100.

FREQUENTLY ASKED QUESTIONS (FAQ'S)

What should I do if I want to complain?

Both Causeway Securities and James Brearley have a comprehensive complaints procedure that adheres to the principles of treating customers fairly. In the event that an Investor wishes to make a complaint, this can be made verbally, by telephone or in person, or via a written communication delivered in person, via post, e-mail or fax. In the first instance, the complaint will be handled by the Complaints Officer of the firm your complaint is addressed to, who will conduct an initial investigation and attempt to reach a fair and impartial conclusion.

If you are not satisfied with the way your complaint is dealt with you can refer your complaint, free of charge, to the Financial Ombudsman Service at Exchange Tower, London, E14 9SR Telephone: 0800 023 4567 Website: www.financialombudsman.org.uk

Referring a complaint does not prejudice your right to take legal action.

Can I change my mind?

Yes. You have the right to change your mind and cancel your investment. You will be issued with a cancellation notice by the Plan Administrator, when they accept your Plan Application.

If you want to cancel your Application, the Plan Administrator must receive your completed cancellation notice within 14 days from the date they send it to you. Cancellation notices should be addressed to Causeway Securities limited, c/o James Brearley & Sons Limited, PO Box 34, Unit 2, Burton Road, Blackpool FY4 4WX.

If the Plan Administrator receives your cancellation notice prior to the Start Date, they will cancel your Application for the Plan and you will receive a refund of your Initial Capital (in other words, your Payment less any Adviser Fee that has been authorised).

If the Plan Administrator receives your cancellation notice after the Start Date, they will cash in your Plan and you will receive the market value of the Plan on the date that the Plan Administrator completes your cancellation instruction. This may be less than you invested, if the value of the Plan has fallen.

If I cancel my investment, what happens to any Adviser Fee?

If you decide to cancel your investment, the Plan Administrator may have already taken and paid your authorised Adviser Fee to your adviser. This means that you would need to contact your adviser to discuss whether they can return the fee to you.

What happens if the Plan is oversubscribed?

When a Plan is in the process of being constructed, an initial trade size is agreed between Causeway Securities and the Issuer of the Securities. The amount of investments received and the amount raised is closely monitored and when approaching the initial trade size, Causeway Securities discusses increasing the size of the trade with the Issuer of the Securities to accommodate any additional investments.

On occasion, the two parties may be unable to agree viable terms to increase the trade size and as a result, the initial trade size may represent the maximum amount that can be accepted into the Plan. In this instance, the Plan will be closed early and any Payments received in excess of the total trade size initially agreed will be returned to the Investor.

What information will I receive?

You will receive a confirmation note and details of the final terms of the Plan once your investment in the Plan is made. You will then receive a quarterly valuation report as at the end of March, June, September and December, along with a tax report each May, to include amongst other things a consolidated tax certificate and supporting income schedules. These documents will all be made available via the James Brearley website. Access rights to the site will be forwarded to you by James Brearley.

FREQUENTLY ASKED QUESTIONS (FAQ'S)

What if I have other questions?

If you have additional questions, please contact your financial adviser.

How much am I able to invest?

The minimum Investment amount allowable is £10,000. The full amount will be invested in the Plan unless you have instructed a payment to be made to your adviser as a fee from this amount. The amount invested will then be the full amount minus the adviser fee. You can invest through an ISA. For the 2022/23 tax year the ISA allowance is £20,000. The 2022/23 tax year runs from 6 April 2022 until 5 April 2023.

Can I cash in my Plan before it matures?

Yes, you may encash some or all of your Plan before the Maturity Date but take into consideration the fact that Potential Investment Returns are structured on the basis that the Plan runs until maturity. An early encashment may result in you receiving an amount that is less than you originally invested. You may encash by providing the Administrator and Custodian with your written instruction to that effect. You will be charged a total administration fee of £100 which will be charged by James Brearley. The proceeds will then be repaid to you as per your instructions or in the case of an ISA, retained in your ISA. Please refer to clause 9 of the Plan Terms and Conditions for more information on early encashment.

What happens if Causeway Securities or James Brearley becomes insolvent?

Causeway Securities is responsible for designing, promoting and distributing the Plan and monitors the performance of the Plan throughout its term. James Brearley is the Administrator and Custodian of the Plan. Therefore when submitting an application to invest you will be agreeing to become a client of James Brearley. The client relationship will be between you as the client and James Brearley. James Brearley will be responsible for providing all documentation and making payments to clients from the application stage to maturity.

Causeway Securities is responsible for paying for the services of James Brearley for the on-going custody and administration of your investment, the cost of which is paid by Causeway Securities to James Brearley when you buy your Plan. This payment covers the services required from James Brearley to satisfy the regulatory and client requirements that a custodian/ administrator must provide for the full term of the Plan. As Causeway Securities never holds any of your money or your investment after your money is invested, your Plan will not be affected should Causeway Securities enter administration/liquidation. James Brearley as the custodian has responsibility for administering your investment on your behalf for the term of the Plan. Strict rules relating to the administration of client monies and assets dictate that there must be segregation between a client's holdings and that of the company acting as custodian. Therefore, should James Brearley encounter any financial difficulty, neither your money nor your investments should be affected. Your payment will be held in cash prior to the purchase of your investment and following its maturity. During these periods your money will be held in a segregated client money bank account with an authorised and regulated Bank or Building Society. In the unlikely event that James Brearley enter administration during either the period prior to purchase of the securities or after the maturity of the Plan, your money will be returned to you by the insolvency practitioner. Should James Brearley enter administration during the term of the Plan the insolvency practitioner would facilitate the transfer of your investment to an alternative administrator and custodian. In the event of any shortfall in the client monies or the nominee position in relation to your investment held by James Brearley, under current regulation up to £85,000 will be covered for each investor by the Financial Services Compensation Scheme (FSCS). For more information, please refer to Clause 28 in the Plan Terms and Conditions.

(a) The Plan Administrator will open a Plan for you once they have received an Application in a form acceptable to them and your Payment has cleared. All Applications are subject to anti-money laundering and other regulatory checks as appropriate and as determined by the Plan Administrator from time to time. You will be classified as a Retail Client in accordance with the FCA's Conduct of Business rules. An Application will not be acceptable if, in the Plan Administrator's reasonable opinion:

- (i) you are not eligible to hold a Plan;
- (ii) the Application is incomplete, needs clarification or the information provided is insufficient;
- (iii) any Application and/or Payment is received by the Plan Administrator after the close of the Subscription Period. If any such late Payment is a Transfer Amount then the Payment will be held pending your instructions.

(b) A Payment received without an Application can be held for no longer than 1 business day and in such a case, if the relevant Application is not received within 1 business day of the Payment being received, an electronic payment will be returned to the account from which it was paid, while a cheque will be returned to the bank branch on which it was drawn.

(c) The Plan Administrator reserves the right to close the Subscription Period early. For example, if sufficient Plan Payments are not received, the Plan is oversubscribed or if the Counterparty requires it as a result of changes to market conditions or changes to laws or regulations. If the Subscription Period is closed early and your Application is not accepted, the Plan Administrator will return your Payment to you.

ADMINISTRATOR & CUSTODIAN - PLAN TERMS AND CONDITIONS

(d) Where you wish to invest your Initial Capital in the Plan by transferring an ISA account to the Plan Administrator, please be aware that an ISA transfer can take up to 30 days or more to effect and that if, after deduction of any Adviser Fee, your Plan Payment is less than the minimum allowable, your Application will not be accepted and the Plan Administrator will hold your Payment in a James Brearley ISA until further instructions are received from you. The minimum allowable Plan Payment is detailed in the Brochure.

(e) You confirm that you are not relying on any advice (written or oral) from the Plan Administrator or the Plan Manager.

4. What we do with your Payment

(a) The Plan Administrator will record your Payment, including any Adviser Fee element, into a Cash Settlement Account within 1 Business Day from when it is received. Client money will be held by the Plan Administrator in one or more pooled deposit accounts called Client Money Accounts. A Client Money Account is a deposit account in which the funds of more than one client may be held.

In the unlikely event of a default by a UK Bank or Building Society, if there is an unreconciled shortfall in the money held in the Client Money Account, you may share in that shortfall in proportion to your original entitlement to money in the pool.

The Plan Administrator is not responsible for the default of any third party financial institution that it uses to hold cash under these Terms and Conditions.

(b) Once your Application has been accepted, on the Plan's Start Date any amount sent by you to pay an Adviser Fee will be debited from your Cash Settlement Account and credited to your adviser's account with the Plan Administrator. Once the Plan Administrator has deducted the amount of the Adviser Fee they will pay the Adviser Fee to your adviser.

(c) Interest may be paid on the Initial Capital recorded in your Cash Settlement Account (not including any money that is to be deducted as an Adviser Fee). Details are set out below in clause 8.

(d) Under the terms of your Application, the Plan Administrator will use all of your Plan Payment as the Initial Capital investment in your Plan subject to your Plan Payment being greater than the Plan's minimum Initial Capital amount. If for any reason the Plan is not issued by the Counterparty, the Plan Administrator will return your Payment to you.

5. Investing your Initial Capital

(a) When investing your Initial Capital on your behalf into your Plan the Plan Administrator will take all reasonable steps to achieve the best result for you taking into account all relevant factors such as the price, costs, speed, likelihood of execution and settlement, size, nature or any consideration relevant to the execution of the order. However, due to the nature of the product all transactions will usually be with the Counterparty.

(b) The Plan Administrator undertakes to process your Application in a timely fashion and to arrange for the investment of your Initial Capital into the Plan.

(c) Should you instruct the Plan Administrator to encash your Plan prior to its Maturity Date, this will be handled as an Off-exchange transaction by the Counterparty. In such circumstances, in which transactions in the Plan are not governed by the rules of any investment exchange (either a regulated market or multi-lateral trading facility), the Plan Administrator undertakes to provide your encashment instruction to the Counterparty as defined in clause 9. You acknowledge that the Plan Administrator is reliant on the Counterparty to determine any amounts payable to you by way of encashment proceeds.

Restricted

For the avoidance of doubt the Plan Administrator accepts no liability in respect of the Counterparty's failure to process your instruction to encash your Plan prior to the Maturity Date.

ADMINISTRATOR & CUSTODIAN - PLAN TERMS AND CONDITIONS

6. Your right to cancel

(a) When the Plan Administrator has received your Payment and accepted your Application they will send you in writing by email an acknowledgement incorporating a Cancellation Notice.

(b) If you decide to cancel your Application, you must send the completed Cancellation Notice to the Plan Administrator at the address set out in clause 26, to be received by the Plan Administrator prior to the Start Date.

(c) If the Plan Administrator receives your Cancellation Notice on or before the Start Date, they will cancel your Application for the Plan and you will receive a full refund of your Payment, less any Financial Adviser fee that you may have authorised and which may have been paid to your adviser, by electronic transfer. No charge will be applied by the Plan Administrator for the processing of your Cancellation Notice in these circumstances.

(d) If the Plan Administrator receives your Cancellation Notice after the Start Date but within 14 days of its receipt by you, the Plan Administrator will encash your Plan as defined in Clause 9.

The standard early encashment administration fee of £100 will not be applied in such circumstances.

(e) The return of monies to you following cancellation will be done once the Plan Administrator is certain of cleared funds having been received by them in respect of your Payment (banks and building societies may take up to ten business days to fully honour your Payment). Any monies due on cancellation will be returned to you by electronic transfer except where your Payment has come as a result of an ISA transfer, in such cases the monies will be retained in your ISA.

7. Plans and how they are held

(a) The cash element of your Plan will be held on your behalf in a Client Money Bank Account in the Plan Administrator's name at a bank or banks they have approved for that purpose.

(b) The underlying Plan investment will be treated as a Client Asset and will be held within the Plan Administrator's Nominee Service on a pooled basis. Client Assets held on a pooled basis may attract different treatment during corporate actions or other events from the treatment it would attract if it was held in a separately designated account. Your options may therefore be limited. In such cases, any rights or other benefits will be shared proportionately among all investors whose Plans are affected. In the unlikely event of any loss you may be eligible for protection under the Financial Services Compensation Scheme.

(c) When held in our Euroclear Crest Account, your investments will be held in an "omnibus client segregated" account unless you request in writing a wish for them to be held in an "individual client segregated" account. We reserve the right to apply an additional charge should you wish to hold your investments in an individual client segregated account (£1,000 per annum) to cover the additional administration this structure creates. We also reserve the right to reject your request. The main benefit of individual client segregation is that your investments are held in a separate account at Crest designated to you which may lead to a prompter distribution of them, in the event of James Brearley falling into administration.

(d) You may not charge, pledge or otherwise use your Plan as security for any loan or other obligation.

(e) The Plan will be held on your behalf until the Maturity Date, unless it is encashed early in accordance with these Terms and Conditions.

8. Administering your Plan

(a) After the Start Date, the Plan Administrator will send you a confirmation note detailing the investment of your Initial Capital in your Plan. Subsequently the Plan Administrator will provide you with a quarterly report of your Plan as at the end of March, June, September and December, which will include a valuation and a statement of your Cash Settlement Account. You may elect for a Plan valuation report on a more regular basis, however the Administrator and Custodian may apply a charge for the deposition of such reports (£25 each).

This Plan is open to anyone aged 18 or over who is resident and ordinarily resident in the UK for tax purposes. This Plan may not be offered or sold within the United States or to, or for the account or benefit of a US resident or US Persons (as defined by the Securities Act 1933). If the Final Level of the Underlying Asset is not published by the Index Sponsor on either the Start Date, an Observation Date, or the Maturity Date, the next Scheduled Trading Day will be used to determine the Final Level of the Underlying Assets.

ADMINISTRATOR & CUSTODIAN - PLAN TERMS AND CONDITIONS

Each May the Administrator and Custodian will provide you with a report of the income you have received over the previous tax year. This will include a consolidated tax certificate and supporting income schedules. Where appropriate they will also provide you with a capital gains report. There are no shareholders' or Investment-holders' mailing or voting rights applicable to your Plan. Valuations are available online via the Plan Administrator's Web Portal.

(b) All information will be provided in electronic format via email and/or via the Plan Administrator's Web Portal. The Web Portal is a secure online platform through which you can obtain a valuation or statement of account. You will be provided with secure access to the Web Portal and you are required to provide an email address when you complete your Application for the Plan.

(c) Where the Plan Administrator holds investments on your behalf, any dividends, interest or other income received in respect of those investments will, unless agreed otherwise, be held in your Cash Settlement Account or ISA Cash Account pending your instructions.

(d) Currently no interest will be paid on cash held in a Cash Settlement Account or ISA Cash Account.

(e) On the Maturity Payment Date, the Counterparty is required to pay the Maturity Payment on the Plan. Shortly after the Maturity Date, the Plan Administrator will write to you outlining the options available to you. The Plan Administrator will hold your Maturity Payment in your Cash Settlement Account or ISA Cash Account pending receipt of your written instructions.

(f) Records relating to your Plan will be retained by the Plan Administrator for a length of time in line with regulatory and statutory requirements following the termination of any relationship between you and the Plan Administrator.

9. Early encashment (Full or Part)

(a) The Plan is structured to be held until the Maturity Date.

You may, however, subject to the consent of the Counterparty encash some or all of your Plan before the Maturity Date by providing the Plan Administrator with your written instruction to that effect. The Counterparty will apply an early encashment charge which will be calculated in a commercially reasonable manner which will depend on a number of prevailing factors and may include any costs reasonably incurred for breaking the funding arrangements entered into in relation to the Plan. You will also be charged an administration fee as set out below.

(b) For early encashment of your Plan (either in full or in part) before the Maturity Date you will be charged an administration fee of £100.

This administration fee will be included in the confirmation notice which will be issued within 1 business day of your encashment instruction being executed by the Counterparty.

(c) If the Plan Administrator receives your instruction to encash your Plan after the Start Date they will pass your encashment instruction to the Counterparty within 1 business day.

The Counterparty will then execute this instruction within 1 Business Day.

(d) The Plan Administrator will pay you the proceeds of the encashment of your Plan when they are received from the Counterparty or in accordance with the Settlement Date stated on the confirmation notice, whichever is the later date. The Settlement Date will be 2 Business Days from the date the Counterparty executes your encashment instruction. Encashment proceeds will be transferred into the bank or building society account you nominated within your Application or to the account that you have subsequently informed the Plan Administrator of in writing and that they have verified in line with their procedures. The Plan Administrator will only transfer monies from your Cash Settlement Account to a bank account in your name.

(e) Where the Plan Administrator has good reason to question the validity of an encashment instruction they will not process that encashment instruction until they have resolved all connected matters to their satisfaction.

ADMINISTRATOR & CUSTODIAN - PLAN TERMS AND CONDITIONS

(f) If you instruct the Plan Administrator to transfer money from your Cash Settlement Account to a non-sterling bank account you have nominated, the transfer will be made in sterling and the Plan Administrator will not pay any costs for currency conversion.

Transferring monies to anyone other than you will only be made on death (see clause 13) or when transferring to another ISA manager (see clause 11).

(g) Money transfers will not be made to individuals holding powers of attorney unless they operate a Cash Settlement Account as part of an account they already hold with the Plan Administrator.

(h) The Plan Administrator reserves the right to deduct any outstanding fees, charges or expenses from the amount due to you.

(i) If your Plan is held within an ISA there are certain circumstances where the Plan Administrator may no longer be able or willing to act as the Plan Administrator. Examples of these circumstances are:

- (i) HMRC removes its approval for the Plan Administrator to act as an ISA Manager;
- (ii) the Plan Administrator is no longer qualified to act as an ISA Manager due to a change in applicable law or regulation; or
- (iii) the Plan Administrator voluntarily ceases to be an ISA Manager.

If your Plan is held within an ISA and in the event that the Plan Administrator no longer acts as Plan Administrator, they will write to you giving you at least 30 calendar days' notice before any change is made, to let you know how it will affect the way your Plan is administered.

(j) If your Plan is held within an ISA it may become subject to the effect of changes to HMRC rules or other changes to legislation such that your Plan no longer qualifies as a Qualifying Investment capable of being held within an ISA. If such a circumstance arises the Plan Administrator will inform you of this and the options available to you.

(k) In the case of an ISA, you may terminate this arrangement by giving us notice in writing, requesting that we either transfer all Plan investments to you or to sell the Plan investments and remit the resulting proceeds to you. Termination of the ISA will be effective when written notice is received by us and all benefits and relief from tax will cease immediately.

10. Taxation

(a) If your Plan is held in an ISA you will not, under current tax rules, have to pay UK income tax or UK capital gains tax on any income or capital growth you receive from your Initial Capital investment in the Plan but any losses on your investment in the Plan will be ignored for the purposes of UK capital gains tax.

(b) These taxation statements are based on current tax legislation, regulation and practice. Such tax legislation, regulation and practice may be subject to change in the future and nothing in this Brochure constitutes tax advice.

(c) Where you receive interest gross, you will be responsible for accounting to HMRC for any tax due.

(d) You confirm that you have taken tax advice as appropriate to your circumstances in respect of the Plan and that you are not relying on any communication/advice (written or oral) from the Plan Administrator or the Plan Manager in this respect.

11. Transferring your ISA to an alternative ISA Manager

(a) Subject to the ISA Regulations, you have the right at any time to transfer your ISA to another ISA manager. For the Plan Administrator to arrange a transfer for you, you must submit a written instruction to the Plan Administrator with an appropriate letter of authority from your proposed ISA manager.

ADMINISTRATOR & CUSTODIAN - PLAN TERMS AND CONDITIONS

(b) If you wish to transfer your ISA to an alternative ISA Manager you should be aware that your Plan will be encashed in accordance with the procedures set out in clause 9. The Plan Administrator can only effect a transfer of your ISA in cash following the encashment of your Plan and it could take up to 30 calendar days or more to complete this.

(c) You will be charged an administration fee of £100 for the encashment of your Plan and arranging the transfer (as set out in clause 9).

12. Investment by Pension Scheme Trustees

Where a pension scheme trustee ("First Trustee") invests Initial Capital into a Plan and the scheme member to which the Plan relates subsequently transfers to another pension scheme trustee ("Second Trustee"), the Plan Administrator will seek to allow the re-registration of the Plan from the First Trustee to the Second Trustee by means of a simple re-registration agreement. This agreement will allow the First Trustee to relinquish all interest in the Plan and for the Plan Administrator to allow the Plan to be re-registered in the name of the Second Trustee who will become the Investor in the Plan on exactly the same terms as the First Trustee. The terms of the original Plan or these Terms and Conditions cannot be changed in any way on transfer between the pension scheme trustees.

13. Death

(a) In the case where the Initial Capital invested in a Plan is for more than one person (for example, a joint account, trustees) then unless agreed to the contrary in writing, the Plan Administrator shall treat all Plan Investors within a single account as Joint Tenants. This means that in the event of death, the Plan will pass to the surviving Investors within that single account. The Plan Administrator will continue to act in accordance with the previous Application unless they are given new instructions by the surviving Investors.

(b) Where the Plan is held in an ISA, it may remain within an ISA and benefit from its tax benefits for up to a maximum of 3 years from your date of death, or until we receive instructions from the administrators of your estate.

(c) If the Plan is held in your sole name and the Plan Administrator receives proof of your death, their service to you will cease. However, they will continue to administer your Plan and cash. The Plan Administrator will then follow the instructions of your personal representatives (for example, the executors of your will). For administrative purposes, the Plan Administrator will establish a new account in the name of your personal representatives which will also be governed by these Terms and Conditions.

(d) Should your executors elect to encash the Plan, the amount they receive will be subject to the early encashment charge applied by the Counterparty (see clause 9(a)). They will also be subject to a total administration fee of £100. No fee is charged if the Plan is assigned to a beneficiary and remains in force until the Maturity Date.

(e) If your executors require a valuation of your Plan for probate purposes, a fee of £50+ VAT is payable to the Plan Administrator.

(f) The total value of your Plan forms part of your estate for inheritance tax purposes.

(g) If your executors require a Plan to be assigned to a beneficiary the Plan Administrator will require verification of the identity of the new Plan holder in line with clause 25.

14. Plan Charge

A Plan Charge has already been taken into account in the terms of your Plan. This Plan Charge is used to meet the Plan Manager's design and distribution costs and the Plan Administrator's administration costs and is disclosed in the Brochure.

ADMINISTRATOR & CUSTODIAN - PLAN TERMS AND CONDITIONS

15. Other Fees and Charges

(a) During the course of administering your Plan the Plan Administrator may utilise the services of third parties. Should those third parties charge fees for their work that fee will be passed on to you.

(b) The Plan Administrator reserves the right to introduce an additional charge in the future to cover any additional expenses incurred by them for a valid reason, for example:

- (i) to take account of significant regulatory change or material events outside their control such as but not limited to the collapse, bankruptcy or liquidation of a Counterparty; or
- (ii) to allow them to administer your Plan more effectively.

No such additional charge will be introduced by the Plan Administrator without giving you 90 calendar days' written notice.

If you are not in agreement with such a charge, you may be able to encash your Plan in accordance with clause 9.

(c) A fee to your financial adviser will only be paid on the basis of an agreement reached between you and your financial adviser. No fees or commissions can be paid to your financial adviser unless you have agreed the amount to be paid in writing. See clause 16.

(d) If you fail to pay the Plan Administrator what you owe to them they may retain any money, investment or other asset due to you and on providing you with notification, they may encash part or all of your Plan to offset your debt. In such circumstances the Plan Administrator will not be liable to you for any loss (or loss of opportunity) you may suffer as a result of their action to encash your Plan.

(e) Where you owe the Plan Administrator money they will apply, and you will pay, interest at 4% over the base rate of the Bank of England in place at the time.

16. Adviser Fee

(a) You may instruct the Plan Administrator to pay an Adviser Fee from the Payment you send them as part of your Application. The amount of the Adviser Fee must be included in your Application. Any Adviser Fee you instruct the Plan Administrator to pay will not be treated as part of your current tax year's ISA Allowance.

(b) Any Adviser Fee will be deducted from your Payment once your Application Form has been processed by the Plan Administrator.

(c) You should inform the Plan Administrator of any change of financial adviser to enable them to keep their records up to date.

17. Extraordinary Circumstances, Disruption and Adjustments

(a) The Plan Administrator and the Plan Manager will perform their obligations set out in these Terms and Conditions unless events outside their reasonable control prevent or restrict them from doing so, some examples of which are set out below.

If such an event occurs, one consequence may be that monies due to you are reduced or delayed. If such an event occurs, the Plan Administrator will use due care when considering how to respond and their response will be fair and proportionate. Neither the Plan Administrator nor the Plan Manager will accept any liability for any failure or delay in the performance of their obligations as described in the Brochure or these Terms and Conditions caused by such an event but the Plan Administrator and the Plan Manager will use all reasonable efforts to minimise any adverse impact on you and your Plan as far as they reasonably can and if you are being disadvantaged the Plan Administrator will tell you as soon as possible. How quickly the Plan Administrator is able to notify you will depend on the severity of the event.

ADMINISTRATOR & CUSTODIAN - PLAN TERMS AND CONDITIONS

Examples are:

- Strikes, lockouts or other industrial action;
- Civil commotion, riot, invasion, terrorist attack or threat of terrorist attack, war or the threat or preparation for war;
- Fire, explosion, storm, flood, earthquake, subsidence, epidemic or other natural disaster;
- Restrictions imposed by legislation, regulation or other governmental initiatives that are not a result of misconduct;
- Recession or significant economic collapse of a market or country;
- Failure of transport networks or other external utilities (for example telecommunications networks, water or power) leading to unavoidable disruption;
- The suspension, limitation or material disruption of trading of any Underlying;
- The exchanges on which any Underlying is traded failing to open for trading or closing early; or
- The level of any Underlying is not calculated or published.

(b) Adjustment events can arise for different reasons and may affect a stock market, an index or an individual company. Should any of the companies underlying the Plan experience an event of the nature of the examples below which has or may have a diluting or concentrating effect on the value of its shares, the Counterparty or one of its affiliates may at its sole and absolute discretion and in good faith, determine whether any adjustment to the terms and conditions of the Plan is required. Any adjustment could include the amendment of the Opening Level, removal or substitution of the affected company, or even bring forward the Maturity Date of the Investment. Examples which may constitute an adjustment event include but are not limited to insolvency, suspension, delisting, a rights issue, a merger with or takeover by another company and nationalisation. As soon as practical, the Plan Administrator will advise you of any adjustment to be made to the terms and conditions of the Plan. The terms of the Plan contain provisions which may result in adjustments to the calculation of your entitlement and/ or the timing of such calculation as a result of extraordinary circumstances, disruption or certain adjustment events.

(c) Any allocation of monies due to you in connection with your Plan is dependent on the Plan Administrator receiving monies from the Counterparty in accordance with the terms of the Plan. Depending on the event, you may have to wait longer for the Maturity Payment than the Maturity Payment Date. In the case that the Maturity Date of the Plan is brought forward due to extraordinary circumstances the amount you receive back may be subject to an early encashment charge applied by the Counterparty which will be calculated in a commercially reasonable manner which will depend on a number of prevailing factors and may include any costs reasonably incurred for breaking the funding arrangements entered into in relation to the Plan.

18. Counterparty and other risks

(a) During the term of the Plan you are exposed to the credit risk of the Counterparty and the risk that the Counterparty fails to pay back the Initial Capital, including any return, which is defined under the terms of the Plan. If, for whatever reason, the Counterparty does not meet the terms of the Plan, this will affect what you will get back from the Plan and you could lose some or all of your original investment and some or all of the expected return. Neither the Plan Administrator nor the Plan Manager is responsible if the Counterparty does not comply with the terms of the Plan.

(b) If the Counterparty is unable to comply with the terms of the Plan because a change in the law means that to do so would be illegal or impractical the Plan may be forced to bring forward the Maturity date. In these circumstances, the Plan may pay out less than expected, or even nothing.

19. Conflicts of interests

During the term of your Plan conflicts of interest may arise between you, the Plan Administrator or their employees, the Plan Manager or their employees, other Plan holders, or associated companies or representatives.
